If you're searching for that perfect gift or that inspiring piece to complete a room, you'll discover just what you're missing at CCA Gallery. From the paintings to the glass works, you'll be inspired across every medium.

CCA Gallery debuts a new selection of original works every two months and showcases artists' solo exhibits in the feature gallery each month.

Over 150 Gifts Under \$50

Are you hoping to find something extraordinary for a special friend or family member? Are you looking for that truly distinctive, one-of-a-kind gift that you won't find at the mall, online, or anywhere else? As Indiana's premier artist-owned gallery, CCA brings these works from the artists' studios directly to you. Since there is no "middle man," prices are kept well below those of traditional galleries. Where else could you find over 150 truly unique gifts under \$50?

"There has never been a better time to shop local than now," says Carol Bell, contributing artist at CCA Gallery. Bell has been highlighted as the November artist showcasing her one-of-a-kind, hand-thrown Blue Moon Pottery collection reflecting rustic elegance. She continues, "A gift of art is not always expected but is always appreciated." For the month of December, Cindy Cradler is the featured artist with a charming oil painting exhibit called "Planes, Trains and Automobiles."

Contributing artists Freddie Kelvin and Carol Bell invite you to shop the CCA Gallery in Zionsville.

CCA Gallery invites you to come celebrate "Christmas in the Village" this holiday season where you will find traditional, contemporary, and sustainable art to suit every taste and budget. With over 250 works of art created by more than 30 local, award-winning and emerging Indiana artists, CCA Gallery is Indiana's original artist-owned fine art gallery, which has been creating and promoting exceptional art for over 30 years.

Artist, Cindy Cradler, is seen painting a picture in progress. She is the featured "Artist of the Month" for December.

Supporting Both the Artists and the Community

When you buy original works of art from CCA Gallery, you help support local artists in the process. Not only can you select something beautiful as a gift or to enhance your home, but you also will be giving back to the community.

This year, CCA Gallery will feature a "Giving Tree" displaying handcrafted ornaments donated by artists. CCA will give 100% of the proceeds of the sale of these exclusive ornaments to their chosen charity—Sheltering Wings, a safe haven for women and their children affected by Domestic Abuse.

Enjoying CCA Gallery Everyday

You are welcome to come meet the talent behind the art at CCA Gallery. You can visit with the contributing artists who are also the owners and help staff the gallery each and every day. You may even consult with them about creating a personalized, custom piece for that special gift.

The Center for Creative Arts (CCA) was first established in 1978 from the Art League. This group of artists wanted to jointly showcase, promote and sell their work as a unity. Previously located in Broad Ripple for 24 years, CCA moved to

the quaint, historic village of Zionsville, regionally known for its fine shopping, dining, and brick-lined Main Street. Bell admits, "Zionsville is quickly becoming an Art Destination community...it just oozes with charm. It's the kind of place you want to linger... it feels like home. In fact, many people who have to move away from this area hope to capture special memories by taking a little piece of Indiana with them."

Come to the CCA Gallery during Zionsville's popular "Art After 5 Gallery Walk." This entertaining, cultural experience is held on the first Friday of every month from 5 p.m. to 9 p.m.

CCA Gallery is open seven days a week with parking conveniently located in the front of the gallery.
